→ PROJECT OVERVIEW

Tokiro is a gamified productivity app that helps users stay organized and motivated by combining task management, note-taking, and event coordination with a companion leveling system. As users complete tasks and engage with events, their virtual companion grows and levels up—adding a fun, rewarding layer to everyday productivity.

USER GUIDES

→ STARTUP

When you first launch the app, you are greeted by Tera the Terra Turtle. Click "Continue with Email".

Once you are in the Sign-In, you may log in with your existing account. If you do not have an account, proceed to the Sign-Up screen. Put in your information accordingly.

The 'Log In' screen features a light green background with a yellow curved shape at the top right. It includes the 'ToKiRo' logo, a 'Log In To ToKiRo' title, and input fields for 'Email' and 'Password'. A 'Sign In' button is positioned below the password field, and a link to 'Sign Up' is at the bottom.

If you have an account and signed in, proceed to the "Home Dashboard" section. If you are new to the app and signed up, you will be seeing a "Companion Selection" Screen. Here you can pick a starting companion to start your journey and progression!

The 'Companion Selection' screen has a light green background with a yellow curved shape at the bottom right. It is titled 'CHOOSE YOUR COMPANION' and lists three options: 'Flame Fox', 'Aqua Cat', and 'Terra Turtle'. Below the list, it shows 'Selected Companion: Terra Turtle' and a 'Confirm' button.

CHOOSE YOUR COMPANION

 Flame Fox

 Aqua Cat

 Terra Turtle

Selected Companion: **Terra Turtle**

Confirm

It's fine to pick any companion, Currently they are not tied to any advantages. Once you have selected a companion, proceed to fill out your daily and weekly task. Click "Submit Tasks" when you are done.

Note: You are required to fill out all 4 Daily tasks and 2 Weekly tasks.

A mobile app screen with a light green background and a black dotted border. At the top, it says "WELCOME! SET YOUR TASKS" in bold black text. Below this, there's a section titled "Daily Tasks" in bold black text. Underneath, there are four yellow input fields, each containing the text "task 1", "task 2", "task 3", and "task 4" respectively. Below these, there's a section titled "Weekly Tasks" in bold black text. Underneath, there are two yellow input fields, each containing the text "task 1" and "task 2" respectively. At the bottom, there's a large orange button with the text "Submit Tasks" in white.

→ NAVIGATION

Once you gain access to the app you will be given access to a navigation bar that allows you to navigate through the app.

Here you can choose the following screen:

-  Home Dashboard
-  Task Management
-  Shop
-  Profile
-  Creation/Add

→ COMPANION SYSTEM

This app contains a leveling companion system. When you complete a task or event your companion will level up. Each type of completion will reward you with a certain amount of exp.

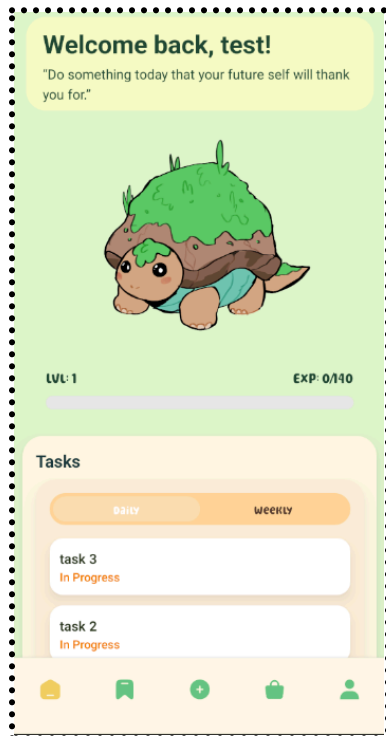

Exp corresponding to the following type:

- **Daily:** 40 exp
- **Weekly:** 100 exp
- **Events:** 500-1000 exp:

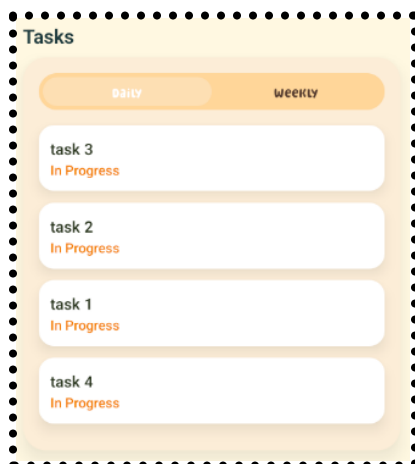

→ HOME DASHBOARD

This is your Home Dashboard. Here you will be greeted by your companion that you picked. This screen will also show the companion level and experience progression along with your daily and weekly tasks and its completion status.

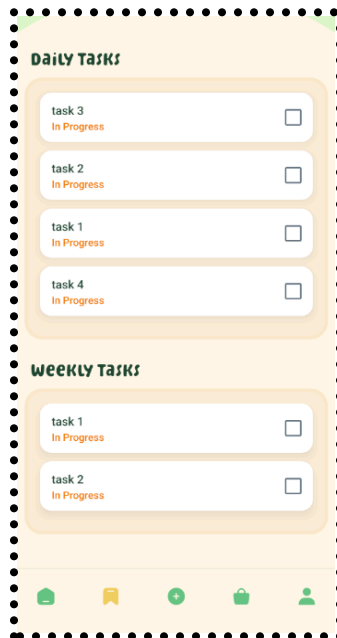

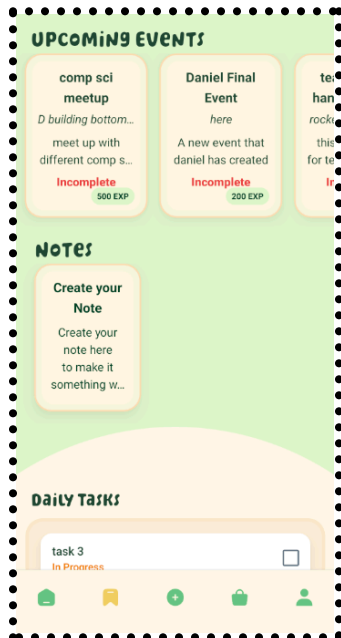

You can also swap between the two type of task (Daily & Task)

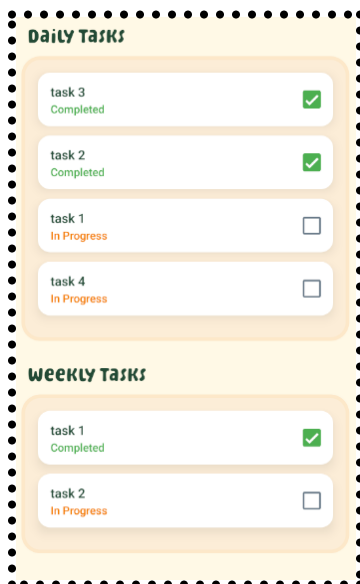

→ ENTRY MANAGEMENT

This screen shows all your Entries, including Events, Tasks, and Notes. Here you will be able to add and edit your Entries. You can also mark the Events or Tasks to be completed.

You can also update your entries completion status:

- You can also click on the task to update the change for it.

For events, you can click the event cards preview and it will bring up a detailed view.

Here you be able to see the full description, location, exp, and completion status:
